Nurseryman and Tree Seedsman

GRIFFIN, GEORGIA

Wholesale Price List for Season of 1928-29

Fancy Nursery Stock and Lining Out Material

Prices named in this list are cash with order, and where full remittance accompanies order, no charge is made for packing. A credit of 30 days can be arranged for parties of good standing.

All stock is properly dug and packed by experienced labor.

I give no warranty, expressed or implied, as to description or productiveness, or any other matter of any stock sold by me, and cannot be responsible for results. However, all my stock is grown true to name, on very fertile soil, properly irrigated, heavily fertilized and carefully cultivated, and better nursery stock cannot be found anywhere.

LINING OUT STOCK

All one year from seed beds.

America's Finest Tree Seeds!

Have you received my large descriptive catalog and price list of ornamental, evergreen, coniferous, greenhouse, tropical and palm seeds? If you have not, write for it today. Nothing like it has ever been issued in America. I supply all the largest nurseries in the country with their seed requirements and they always come back each season clamoring for more. You, too, could grow choice nursery stock from my seeds. Write today.
